

Dear Parents and Students,

We can't believe that the first quarter of the 2018-2019 school year is over. The students are having so much fun in aftercare this year. Don't be surprised if your child asks to stay when you come to pick them up.

This year we have started STEAM hour. On Wednesdays, the students get to partake in different activities such as Over the Top Science, Yoga, Book N Cooking, and various art activities. The students in grades K-2 participate from 3:00-4:00pm and the students in grades 3-5 participate from 4:00-5:00pm. They are having loads of fun.

We have continued with the technology rotation this year with Mrs. Gwizdz. The younger students enjoy playing academic games on the iPads, while the older students love playing DimensionU. We have also started an art rotation with Ms. Gina. The students love going to visit Ms. Gina and creating beautiful artwork.
